

Vermilion High School Sailor Marching Band
2020 Letter of Intent

I have read and understand the commitment and responsibilities involved in becoming a member of the Marching Sailors. Prior to each season, the directors spend many hours preparing music and drills for the upcoming performance season. As such, *each member plays a vital role* in ensuring the success of the season through his/her commitment to attend required practices and rehearsals as well as maintaining the integrity of the marching band. Non-committed members who choose to not take this commitment seriously cause undue hardships on the directors, their peers, and the program as a whole.

Therefore, I understand that by signing and returning this form, I am making a solemn commitment to the directors, my peers, and the Vermilion Marching Band. This commitment shows my determination to make the Marching Sailors a part of my high school experience of which my family, friends, and I can be proud of for years to come. Additionally, this commitment shows the directors they can count on me for the entire season. I understand that paying required fees provides a place written specifically for me in the pregame and halftime shows for the upcoming 2020 Marching Band season.
